

SENIOR AIRPORT PLANNER /AIRPORT PLANNER

**PASCALL
+WATSON**

Job Title: Senior Airport Planner/Airport Planner

Reports to: Project Director

Remuneration: Competitive and negotiable

Position Summary:

Embark on an extraordinary journey with Pascall+Watson as a Senior Airport Planner/Airport Planner, contributing to our dynamic team engaged in diverse projects across UK and international airports. Nurture your passion for aviation and terminal design while enjoying thrilling opportunities for professional growth within our vibrant company.

Essential Duties and Responsibilities:

Join us in shaping the future of aviation by:

- Leveraging your strong background in airport planning or relevant qualifications.
- Staying attuned to the unique needs of airport clients and staying ahead of contemporary aviation design trends.
- Demonstrating expertise in masterplanning, terminal planning, and capacity planning.
- Infusing conceptual thinking into masterplanning solutions, implementation scenarios, and business planning.
- Communicating ideas with exceptional clarity through outstanding presentation skills.

Knowledge, Skills, and Abilities:

Unleash your capabilities through:

- Familiarity with relevant standards, legislation, and economic parameters.
- Proficiency in brief definition, basis of design, demand, and capacity analysis.
- Immersing yourself in airport masterplanning, airfield and stand planning, and terminal and facility planning.
- Demonstrating competence in feasibility studies, concept design, due diligence studies, and terminal simulation modeling.
- Collaborating with a team of Airport Planners and Architects on exciting projects.
- Showcasing your expertise in ancillary building facility planning.

Experience in AutoCAD, Revit, Adobe CS, and Microsoft Office is essential and Skills in dynamic simulation software highly valued but not an absolute necessity

Why Pascall+Watson?

- Immerse yourself in cutting-edge airport projects worldwide.
- Collaborate with a diverse and talented team of Airport Planners and Architects.
- Fuel your passion for aviation in a dynamic and supportive work environment.
- Experience professional growth through our commitment to training and development in a hybrid working model.
